To Whom It May Concern

Re: NZLBP Licensed Building Practitioners Ltd

We have utilised Paul's service twice recently whilst in the process of buying a house. On both occasions Paul gave us a very detailed report about each house and was open to offering further comment when requested. Any issues with the property were given further exposure through the inclusion of clear and specific photographs in the report. Paul has all the equipment to check for any moisture issues and leaves no stone un-turned in his reports. Paul gave us prompt and friendly attention and a quick turnaround time for the reports we highly recommend his services to anyone else.
