**To Whom it may Concern.**

Richardsons Real Estate Ltd in Pauanui has used Paul Goodwin to do our building reports here in Pauanui for many years. We have always, with out exception found Paul to be totally reliable, very honest with his reports, but also very positive in his comments, which we know the customers find very helpful. The fast turn around from inspection to report is also a quality that Paul has to be congratulated on; you know what clients and customers are like, they want answers as soon as they can get them.

I would have no hesitation in recommending having Paul do an inspection on any of the properties we market here in Pauanui and feel confident that I could recommend Paul to any other person requiring a professional building inspection.

Kind regards  
Neil Christie
